Broadway between 155th and 156th Streets,  
New York.

Dear Sirs:

A friend of mine has asked me to write and ask if you are interested in the purchase of some gold, silver and copper Grecian Coins about 350 years, B.C. besides antiques in the time of Napoleon, The Great, and Athena of Grecians.

If you are not interested yourself in the matter, could you advise me who might be?

Yours very truly,

PMC. enc. env.

*Answered.*

*Request made for the coins  
to be forwarded for inspection.*
